Review of the activities of various Committees.

The IQAC Co-ordinator requested all the faculty members in-charge for various Committees to present their reports. All the Committees explained the co-curricular activities planned and carried out. They also pointed out some of the hindrances faced in conducting the activities and also the goals achieved.

All the members actively participated and brainstormed on various issues with quality concern and decisions were taken to overcome the difficulties.

Review of development & Utilization of instructional facilities:

The principal and faculty members expressed their happiness regarding the developments in instructional facilities. It was also pointed out that all the faculty members

and the students made maximum utilization of the facilities in the class room interactions.

The kannada medium students were the special beneficiaries as they were the first generation learners of computer operation. Many students learnt how to integrate technology in their class room and they also tried it out during practice in teaching.

Review of academic activities carried out:

The faculty members also expressed that they had sufficient time to complete their portions along with all the extra-curricular activities. The students active participation and also achievement was appreciated.

It was also pointed out that the pre-practice in teaching and practice in teaching programmes were very well planned and executed. There was tremendous improvement among the students with regard to classroom teaching and management.

Review of Conferences/Workshop conducted:

The chairperson appreciated the quality of the UGC Sponsored National Seminar on "Academic Leadership Pedagogy and Innovation". The contribution of the conference was it brought out a proceeding with ISBN number.

The workshop on "Education for Sustainable Development" in collaboration with WWF was also well appreciated by the students as it was activity oriented and very informative.

It was also noticed that the quality and participation of the inter-collegiate cultural fest has also improved. lot the participants from other colleges appreciated

the organization of the fest.

Review of value added programmes:

The effectiveness of the value added programme i.e., Spoken english was very helpful for the kannada medium students.

The TQAC Co-ordinator thanked all the members for their active participation and suggestions provided.
